Dear colleague,

In this 5th Call we would like to remind you that the full paper submission period is arriving to its end. Deadline for full papers submission is November 30th. Please read the Editor's Advice and Author Instructions documents before submitting to ensure you have followed the instruction for the preparation of your full paper:

In addition, we would like to inform you about **POSTER abstract submission**. Those abstracts already accepted as a poster communication (including those moved from oral communication after the revision process) will be prompted to send a final abstract in a specific format. All poster abstracts will be published in a digital "Book of poster abstracts" with its corresponding ISBN. Poster abstract instructions will be published at the ECPA2013 webpage:

http://www.ecpa2013.udl.cat/papers_posters.html

This ECPA we would like to publish a small image of the final poster next to each abstract to make the publication more attractive. Deadline for both POSTER ABSTRACT and IMAGE submission to be included in the publication is March 15th, 2013.

A poster printing service is offered at 20€. Deadline for poster submission to be printed in Lleida is also March 15th, 2013. If you book this service you will travel more comfortably and will find your poster already hanged at your arrival. Poster instructions will be published at the ECPA2013 webpage in short.

We also inform you that we have enabled the one-day Registration modality for those who are planning a short attendance to the ECPA2013 Conference. More details at www.ecpa2013.udl.cat/registration_accommodation.html
